# Reserve Wines

*"When I pair food and wine, I start with the food. If I have a beautiful roasted bird, I might choose a Cabernet or Pinot Noir, or maybe a Syrah, depending on the sauce and what is in my cellar."*

*Voted Australian winemaker of the year by Gourmet Traveller Wine in 2022, there's not much about Farr wines that hasn't already been said. Suffice to say we are beyond proud to be able to offer very small allocations of Nick (and Gary) Farr's exceptional wines.*

### "Heroes"

*James Thomas has taken his small block from strength to strength since taking over the old Gosling Creek site in the Otways in 2014. James grows chardonnay, riesling, sauvignon blanc & pinot noir on site and makes his Anti-Hero range from locally sourced fruit. With a hands-on approach in the vines and a hands-off approach in the winery, his chardonnay and pinot noir are some of the best in the country.*

### Traviarti

*Based on the outskirts of Beechworth, Simon Grant tends to his home block dedicated to 2 clones of Nebbiolo. He seeks wines of texture with a savoury edge, like the wines of Piemonte he so reverts. Keep your eyes out for single site and single variety wines of distinctions, as well as his more quaffable blends.*

### Mewstone

*Brothers Mathew & Jonathan planted vines on a former cherry orchard at the mouth of the Huon River south of Hobart in 2011. Their focus on these sites is pinot noir, riesling & chardonnay. Production is low and we fight tooth & nail for our allocation every year. If you see these wines on any list – don't hesitate!*

*A spontaneous trip to Tassie by Martin Shaw and Michael Smith (yes, that Shaw + Smith) resulted in the purchase of 20 hectares of mature pinot noir & chardonnay vines in 2012. They have helped put Coal River Valley front and centre in the minds of pinot and chardonnay lovers the world over.*
